About

1. The eighth virtual meeting of the National, Sub-regional, Regional and Youth IGF Initiatives (NRIs) of the IGF 2022 preparatory cycle, took place on 12 July 2022 at 13:00 UTC.
2. The meeting was hosted by the IGF Secretariat's NRIs Focal Point. The final, adopted version of the Agenda is attached to this document as Annex A1 and a list of meeting participants as Annex A2. The list of shared documents is annexed as A3.

Summary of key points

3. The Host opened the meeting by reminding everyone that the objective of the meeting is to continue planning the NRIs main sessions.
4. The Host invited for comments on the current main session draft proposal, focusing on the policy questions.
5. Below are the main action points agreed and a link to the form to express interest in delegating a speaker to the NRIs main session.
 - a) It was agreed that the NRIs main session will structure around the following policy areas:
 1. *Each NRIs share testimonials on what they see as the core principles which are important to build trust on the Internet*
 2. *How to support the principles through policy-making and acting?*
 3. *How to support the principles through the technical side of the Internet?*
 - b) The above-listed areas will be further distilled once the speakers are confirmed.
 - c) The NRIs main session is 90 min long. It will engage a limited number of speakers to set the scene and allow sufficient time for others to share their views as discussants.
 - d) It is proposed to have a max of 7 speakers, each speaking for max 5 min. After that, the floor would open for a discussion within a limited time period, to be agreed on the next call.
 - e) The up to 7 speakers will be regionally balanced and selected by all NRIs on the basis of their shared substantive input's quality and relevance to the topic.
 - f) NRIs group should be careful in its selection and avoid dominance by the NRIs that are biggest in scope or existence and instead focus on the quality and regional balance within the speaking group.

- g) Newer NRIs are particularly encouraged to submit their inputs.
- h) NRIs that wish to express interest to speak in the main session are kindly asked to do so by completing this form until end of August <https://forms.office.com/r/xqkZjqjtuq>. The deadline to receive the input is **31 August COB UTC**.
- i) If needed, advice on received inputs will be sought among the NRIs coming from the same region of the NRIs that submitted the input, before the global NRI network assesses all and make its endorsement.
