

# IGF 2022 Workshop Proposals *Pre-evaluation Statistics* & Other IGF 2022 Session Proposals/Sessions

*7 July 2022, IGF Secretariat*

# IGF 2022 Call for Workshops

- IGF 2022 Call for Workshops was open for **8 weeks: 15 April- 10 June**
- **418** proposals created in the IGF online submission system
- **294** proposals submitted
- **246 proposals for evaluation** (compared to 203 in 2021), following the IGF Secretariat's screening

## *IGF Secretariat's screening:*

- *48 proposals screened out as duplicates*

# Session Formats & Durations

# Session Formats & Durations

- Round Table
- Panel
- Birds of a Feather
- Break-out Group
- Debate
- Other
- Tutorial

- 6 session formats suggested (*each 30, 60 or 90 min duration*)
- Proposers encouraged to suggest new format (showed as 'Other')
- Most preferred duration is 90 min

# Organizing Teams

- 581 co-organizers listed in organizing teams of 246 workshops. 114 involved in more than one workshop – about 20% – while 467 are involved in only one workshop (unique organizer).
- 20% of co-organizers being involved in other workshops is in line with 2021 data.
- 47% indicated they were first-time organizers, while 53% organized workshops before (between 5-16 IGFs < 30%).
- The above is a slight decrease compared to the 2021 data, where about 53% of organizers were first-timers.

Main Organizers by Gender

Main Organizers by Stakeholder Group

- Civil Society
- Technical Community
- Private Sector
- Government
- IGO

Main Organizers by Region

- WEOG
- African Group
- GRULAC
- Asia Pacific Group
- Eastern European Group
- IGO

# Organizing Teams

Across 246 workshops, these are the breakdowns for all co-organizers (all members of the organizing teams).

Co-organizers by Gender

Co-organizers by Region

● African Group ● Western European and Others Group (WEOG) ● Latin American Caribbean Group  
● Asia-Pacific Group ● Eastern European Group ● Intergovernmental Organization

Co-organizers by Stakeholder Group

● Civil Society ● Technical Community ● Private Sector  
● IGO ● Government

# Speakers

- 804 stakeholders proposed as speakers for 246 workshops. 94 speakers appear in more than one workshop – little more than 10% – while 710 appear only on one workshop (unique speaker).
- 10% of speakers being involved in other workshops is a modest improvement compared to 2021 data, where about 15% were repeat speakers.

# Speakers

Across 246 workshops, these are the breakdowns for speakers.

Speakers by Gender

Speakers by Region

- African Group
- Asia-Pacific Group
- Eastern European Group
- Western European and Others Group (WEOG)
- Latin American and Caribbean Group (GR...)
- Intergovernmental Organization

Speakers by Stakeholder Group

- Civil Society
- Private Sector
- Technical Community
- Government
- IGO

# Policy Questions

- Each proposer was asked to formulate up to 3 policy questions relating to their chosen topic and programme theme.
- Nearly 90% of proposers provided 3 policy questions.
- A further 7% provided 2 policy questions.

# Themes

Breakdowns for **246** workshop proposals

# Themes

Balance among **246** workshop proposals

- **Connecting All People and Safeguarding Human Rights**
- **Enabling Safety, Security and Accountability**
- **Addressing Advanced Technologies, including AI**
- **Governing Data and Protecting Privacy**
- **Avoiding Internet Fragmentation**

# Themes – Addressing Advanced Technologies, including AI

# Themes – Avoiding Internet Fragmentation

## Session Hosting Details

- *17% proposals indicated a preference to **host the session online only** (as compared to 21% in 2021).*
- *97% confirmed they will **attend moderation/hybrid training**; the handful (total of 6) that declined justified this by explaining their moderators were already very experienced and well-prepared.*
- *31% said they have **engaged members of local Ethiopian communities** to participate as co-organizers or speakers in their workshops.*
