

IGF Leadership Panel
Meeting III
Group D on Opportunities for Substantive Contributions and Guidance
16 May 2023 | 14:00-15:00 UTC | Online

Update

- Group D met to discuss the proposal of Lise on the process, and María Fernanda on the content, of a future multistakeholder process on “the Internet we want”
- The group agreed on keeping the structure of “the Internet we want” as close as possible to the UN’s SDGs (goals, targets, indicators and metrics)
- María Fernanda presented the draft vision paper, to be sent to the Leadership Panel, for comments from members (of Group D and LP more broadly) by 31 May
- Members also discussed how the MAG and full multistakeholder community can be best involved to draft “the internet we want”
- Chengetai suggested that a first draft of the vision paper for “the internet we want” could be published on 11th July – to be discussed by all stakeholders.
- The group agreed that the full LP needs to review the draft first and then agree on the next steps in the process.
- Group D will ask the Chair of the Leadership Panel to organise a LP meeting after 31 May to discuss “the Internet we want” – both content and process.
- AOB:
 - Amandeep informed the group that the Global Digital Compact timeline has changed, with the next deep-dives being:
 - Thematic Deep-Dive - Artificial Intelligence and other emerging technologies (25 May)
 - Thematic Deep-Dive - Digital Trust and security (25 May)
 - Thematic Deep-Dive - Global digital commons (14 June)
 - Thematic Deep-Dive - Accelerating progress on the Sustainable Development Goals (SDGs) (14 June)
 - Secretary-General will present the policy brief in early June
 - Lise reminded the members of the IGF session at Rights Con (7th June) and invited members to join her online or onsite with ‘Gbenga
