

IGF 2024 MAG Meeting III
Action items & next steps

6 February 2024 | 11:00 UTC | Online

1. Updates from the Secretariat

- The PNAI consultancy advertisement closed on 5 February. The IGF Secretariat received a considerable number of applications. It will take approx. four to six weeks to select a consultant.
- The call for Input closed on 31 January. The IGF Secretariat shared the [results](#) ahead and presented them during the meeting (the recordings of the presentation have been made available [here](#)).
- Some MAG members asked to balance topics (against very prominent AI and Cybersecurity themes) when working on the IGF 2024 programme.
- It was also suggested to reinforce multistakeholderism in workshop proposals.

Actions

- ➔ **The MAG has been reminded to register for the [IGF 2024 First Open Consultations and MAG Meeting](#) by 17 February.**

2. New MAG Working Group (WG) Proposal and Updates

- The new [working group proposal on Youth Engagement](#) has been shortly introduced.
- MAG members mentioned the potential duplication of establishing such a WG with other IGF youth initiative (e.g., IGF Youth Track, Youth Coalition on Internet Governance...), as well as the potential limited capacity of MAG members to be involved in a fourth WG.
- While the creation of this proposed WG also received support, the suggestion was made to enlarge the scope of the WG to include other groups.
- The Working Group on Workshop Processes informed the MAG about their kick-off meeting and will share a draft version of the 2024 Workshop Proposal Form with the MAG prior to the in-person meeting.
- The Working Group on Strategy submitted a first draft of the CSTD response to their [questionnaire](#) to the Chair of the Leadership Panel and to the MAG Chair for their review.

Actions

- ➔ **It was decided to delay the potential selection of this WG on Youth Engagement to further strengthen the proposal by getting feedback from the youth community. It will be discussed at the upcoming virtual MAG meeting.**
- ➔ **The WG-WSP to submit the draft 2024 Workshop Proposal Form to the MAG by Tuesday, 27 February.**
- ➔ **The WG-Strategy to finalize the response to the CSTD questionnaire by Friday, 23 February.**

3. Launch of the Policy Networks (PN) and Best Practice Forums (BPF) Proposals

- The MAG was reminded that any PN or BPF proposal can be submitted to the Secretariat by 16 February CoB, bearing in mind the agreed [timeline](#) for the selection process of intersessional work streams.

Actions

- ➔ Interested MAG members to submit BPF and/or PN proposals by 16 February to the Secretariat.
- ➔ The Secretariat to share all proposals received with the MAG for their consideration during the next virtual MAG meeting.

4. Any Other Business

- The MAG was informed about the ongoing preparations of the first Open Consultations and MAG meeting, including for visa arrangements.
- MAG members received the draft agenda for the in-person meeting and will be able to provide comments, if any, by Friday, 9 February.
