

# Suggested Selection Process for IGF intersessional work (Policy Networks and Best Practice Forums)

➤ The proposal should indicate the following:

- Title
- Names of at least two Facilitators (at least one of which is a MAG member)
- Model of intersessional work (BPF or PN)
- **Short Description:** topics covered, proposed objectives, focus of the BPF/PN and main action points (the description should provide sufficient detail to allow an assessment and selection).
- **Work plan, outreach plan and multistakeholder engagement:** This should mention the anticipated engagement from different parts of the multistakeholder community, and a work plan starting 1 April.

The proposal should not exceed one page.

➤ Selection of topics

The MAG may use the following quantitative and qualitative metrics:

- Relevance and suitability of the topic
- Community of interest
- Metrics to evaluate the functioning of completed BPFs/PNs
- Expected output and contribution to IG discussions and decision-making processes
