BCS Identity Assurance Working Group

How to recognise good

Identity Schemes

- The purpose of a scheme - What's it for?
- Levels of assurance – How strong is it?
- Target market – Who's it for?
- Commercials – Who pays?
- Liability – Who carries the can?
- Practicalities and ease of use – How well does it work?
- Moves and changes – Can I easily update my credentials?
- Record-keeping – Where's my digital exhaust?
- Interoperability – Does it share my identity?
- Cyber – Is it at risk?
- Fraud and error – Who's checking?
- Restitution and redress – Who handles disputes?
