### Field summary for A

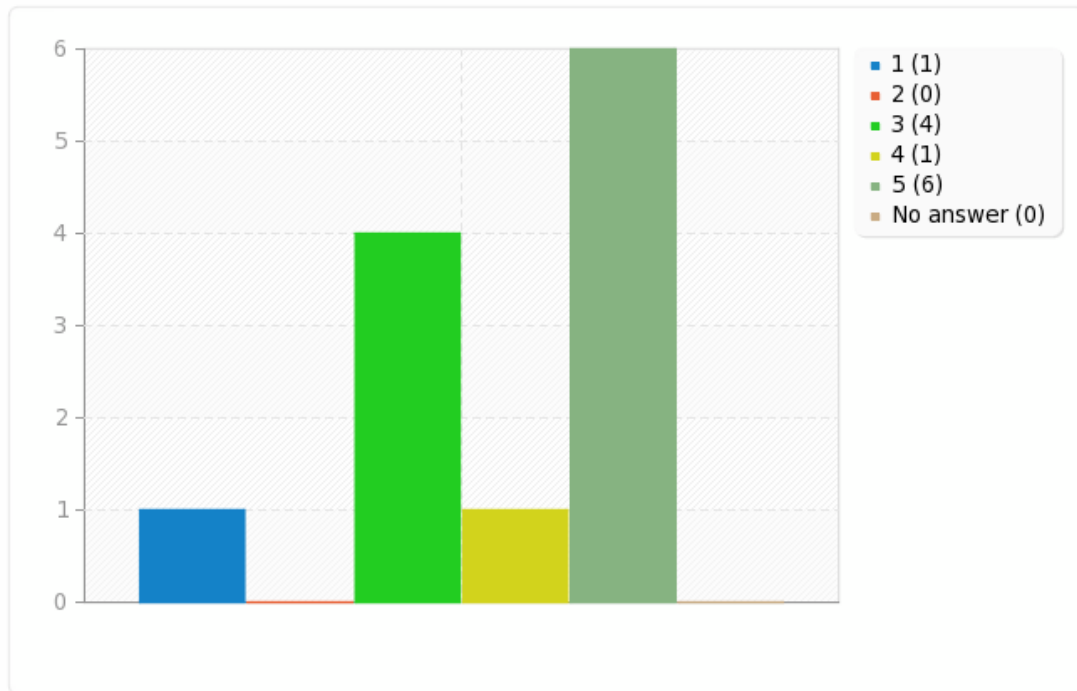

Current national and global internet governance agendas addressing human rights law and norms have come a long way. However the time has come for the UN Human Rights Council to adopt the Charter on Human Rights and Principles for the Internet as an international standard for incorporating human rights law into internet governance decision-making.

Answer	Count	Percentage	Sum
1 (1)	1	8.33%	8.33%

54	It should be adopted by all
57	El problema estaría dado en que hablar de derecho a Internet cuando existen países donde no tienen derecho a la Educación y a la Salud como derechos básicos no sería feliz. Tampoco cuando existen países en vías de desarrollo que deben favorecer el cumplimiento desde el punto de vista social desarrollar proyectos para lograr el hambre =, no creo podamos pedirles que Internet este como prioridades en sus agendas. Si creo Internet como bien público en interes social al desarrollo. Los derechos humanos son interdependientes, indivisibles y están iterrelacionado y en ningún caso deben servir para ejercer presiones políticas.

### Field summary for E

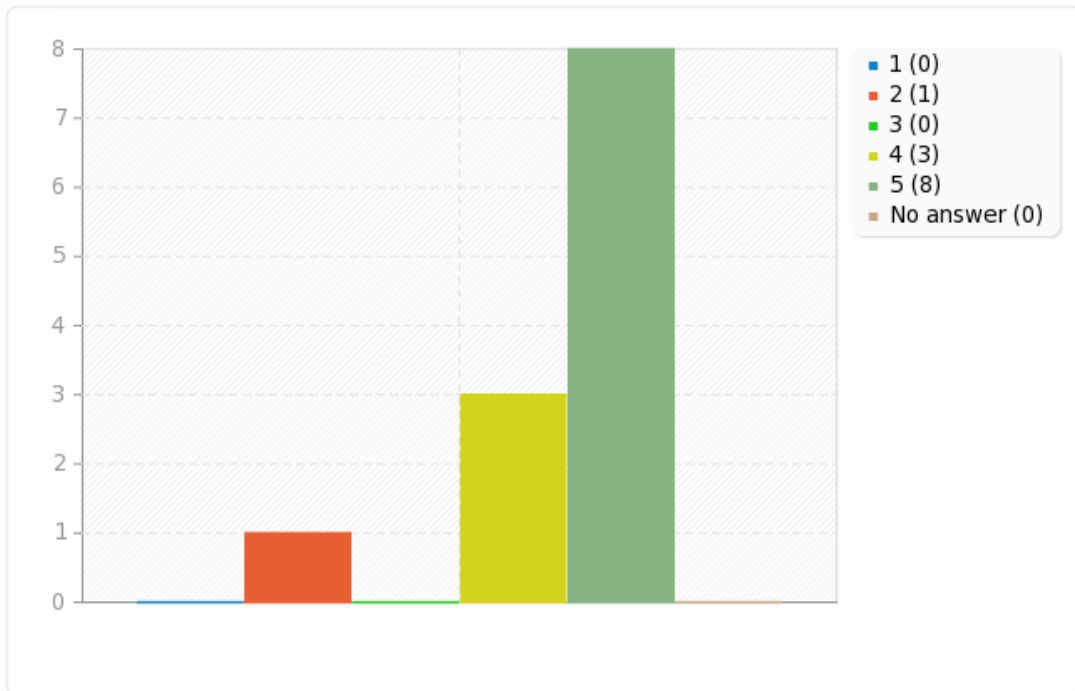

A holistic approach to implementing human rights in internet policy-making needs to take account of all the human rights and principles articulated in the IRPC Charter. These principles should be adopted in the design of new technologies, terms of access and Internet usage by public and private service providers to contribute towards a better internet as a main instrument to achieve the UN Sustainable Development Goals.

Answer	Count	Percentage	Sum
1 (1)	0	0.00%	8.33%
2 (2)	1	8.33%	
3 (3)	0	0.00%	0.00%
4 (4)	3	25.00%
